

SAFETY CONTRACT

Safety Contract for Rental of Inflatable Units:

The following rules detail safe operational guidelines for the inflatable equipment you are leasing from Phat Bubbles Long Island Inflatables LLC. To ensure safe operation of the inflatable, it is in your best interests to have these rules read aloud by a company representative. Further, you are encouraged to direct any questions you may have about the operation of the inflatable to your representative from Phat Bubbles Long Island Inflatables LLC before you begin use of the equipment.

Supervision: The safety of the children depends on you. Your personal supervision is absolutely required at all times. As the lessee of this inflatable unit, the safety of all the riders is your responsibility. As the adult supervisor, you should position yourself in close proximity of the entrance to the ride and be prepared to assist riders when they enter/exit the ride.

Groups: Only compatible groups and sizes shall play on the inflatable at the same time. The following are guidelines as to the number of riders that may be on the inflatable unit at the same time:

The rated capacity should never be exceeded. The capacity of the ride is as follows (example):

13' Bounces:

Small Children: 6-8

Medium Children: 4-6

Teens or Adults: 2-4

15' Bounces:

Small Children: 8-10

Medium Children: 6-8

Teens or Adults: 4-6

Silly String: Canned spray strings in any form are strictly prohibited in or around the inflatable unit at any time. This includes participants who may have the canned spray string on them from previous play. It is understood that the rental customer will abide by these rules at all times.

Shoes/Glasses/Jewelry: All riders MUST REMOVE SHOES, GLASSES, AND ALL LOOSE JEWELRY before playing in the inflatable.

Pre-existing Health Conditions: Pregnant women, individuals with pre-existing injuries, and others susceptible to injury from falls, bumps or bouncing are not permitted in or on the inflatable unit at any time.

Flipping/Wrestling/Piling: Improper use of the inflatable includes flipping in the air, wrestling, and riders piling on themselves. Such activity may result in neck and back injuries to riders.

Installation: Do not remove the inflatable from the area where it was installed. If the inflatable unit moves, pull it by one of its corners back to its original location of installation. Keep the inflatable unit away from swimming pools and other sources of water at all times.

Inclement Weather: Once there is a threat of inclement weather, including strong winds (at or in excess of 15 mph), thunderstorms (especially when lightening is present), or severe cold weather (below 40 degrees), children should immediately exit the inflatable. The blower should thereafter be switched off and removed, and the unit allowed to deflate.

Deflation: Never allow riders in or on a partially inflated unit.

Should the unit begin to deflate, do the following:

Have all children exit the unit immediately.

If the motor has stopped, make sure that it has not been unplugged.

Alterations: No alteration in or attachments to the inflatable unit are allowed, period.

General Misuse: Do not allow riders to play or climb on walls, sides or roof of inflatable. Do not allow the inflatable to rub up against any surface. Never place a water hose or water in general onto the inflatable that is not designed for wet use. If the inflatable should become wet, have an adult wipe down the unit before riders return. Inflatable should not be wet when riders enter the unit.

Negligence or Abuse: The following fees may be assessed for negligence or abuse of inflatable

Spilled food, drink or the use of Silly String could result in a \$100 - \$500 Cleaning Fee.

Negligence and damage to unit could result in a \$400 - \$1000 Repair Fee.

If unit is not repairable a fee of \$3500 - \$7000 could result.

Emergency Procedures

Emergencies can arise for various reasons...please use common sense when an emergency occurs.

Damage

-If the inflatable becomes damaged while in your operation, take the following steps.

-If the inflatable is ripped or otherwise begins to lose air, assist all riders from the ride and deflate it.

-Write down what happened, when, and any other details you observed and turn this report in to Phat Bubbles Long Island Inflatables LLC.

-Contact the inflatable company immediately. Do not attempt to continue to operate the ride.

I hereby acknowledge, as witnessed by my signature, that a representative of Phat Bubbles Long Island Inflatables LLC! Has read aloud to me each of the above referenced safety rules cited in this agreement. Or I declined having the safety rules read out loud to me, as I have already read them. I further acknowledge by my signature that I understand each of these rules and agree to abide by them completely.
